

A photograph of a diverse crowd of people, likely refugees, looking towards the camera. In the foreground, a young child with reddish-brown hair and blue eyes looks directly at the viewer. The child is wearing a grey t-shirt with a Christmas tree graphic. To the right, a man with dark hair and a blue jacket looks intensely at the camera. The background is filled with other people of various ages and ethnicities. The lighting is somewhat dim, suggesting an indoor or shaded outdoor setting.

**NO, YOU MAY NOT HAVE  
SOME MORE, THIS IS ALL  
FOR OUR NEW 'CHILDREN'**

**1.7 Million children in Britain currently living in *severe* poverty.**

**1 in 9 children this winter are living in poverty in Britain.**

**More than 100,000 children in Britain will wake up homeless on Christmas Day.**

**May sends £12.6 Billion abroad in foreign aid each year to 20 of the most corrupt nations on the planet.**

**May spent £Millions on anti-terror shock troops to combat Islamist terror while fast-tracking Muslim migrants into Britain.**

**May is housing thousands of bogus 'refugees' while British children are forced to suffer in silence.**

## **Theresa May: Bogus 'refugees' before homeless British kids**

**This Christmas, our most desperate and vulnerable British children can forget about gifts of charity** from their government because Theresa May is giving it instead to bogus 'refugees' and asylum seekers.

**More than 100,000 children in Britain will spend Christmas Day homeless**, while bogus 'refugees' will be lavished with safe and secure social housing, welfare and healthcare.

**Theresa May knows it's wrong** because she and her mainstream media have deemed it necessary to lie to the British people claiming that the fully-grown Muslim economic migrants are vulnerable child refugees.

We have hundreds of thousands of British people homeless, and the traitorous government is bringing in foreigners and housing them.

It's a betrayal of the British people, with our most desperate and vulnerable people bearing the brunt of Theresa May's betrayal.

**The BNP says: 'Enough is enough!'**

# BNP PUTTING BRITISH PEOPLE FIRST

## Stop ALL Immigration – 85% of Brits agree

Pressure on housing, schools places, hospitals, transport, welfare and social security is far too great. That's why the **BNP will introduce a National Security Moratorium** stopping all further immigration into Britain until the current mess can be sorted out.

## Out of the European Union – Article 50 NOW

We won the vote, now they're trying to steal it from us!  
Honour the will of the British people – Trigger Article 50 NOW.  
**Out of the EU, we can regain control of our borders!**

## Local people first – every time!

The government sends £12billion+ each year in 'foreign aid' to 20 of the most corrupt countries in the world while 1.7Million children in Britain live in severe poverty, thousands of pensioners freeze to death each winter because they cannot afford to heat their homes, and austerity cuts devastate our vital public services.  
It's an outrage! **BNP will stop foreign aid UNTIL all British people have a decent standard of living!**

**“We are a compassionate and generous people. Giving aid to others while British people suffer is fundamentally wrong. The BNP puts British people first every time because charity begins at home. This Christmas our thoughts go out to all those betrayed by Theresa May's government.”**
