

BNP IS THE LABOUR PARTY YOUR GRANDDAD VOTED FOR

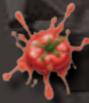

SUPPORT
THE BNP 

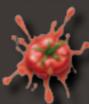

The Labour Party has betrayed
British working people:

They brought mass immigration
to Britain and flooded the country
with cheap migrant labour to
undercut British workers

Just like the Tories, they've
dismantled British industry
and shipped our jobs abroad

They continue to put asylum seekers
and immigrants before British people
in jobs and housing queues

PTO FIND OUT
HOW TO
TAKE YOUR
COUNTRY BACK 

Putting British people first every time

Our ancestors built our country, yet the Labour Party has looted it and swamped us with foreigners. The Labour Party has spectacularly failed the British working people. **Only the BNP has the interests of the British working people at heart**, and we are determined to restore to the British working people that which is rightfully ours!

Adam Walker
BNP Chairman

British Jobs for British Workers

Local people must be given jobs before immigrants every time. There ARE enough jobs for our people – British people want to work!

Renationalise our public services

Take back our public services from private bosses to create jobs and put the property of the British people back in the hands of British people!

Stop mass immigration

Close the doors on economic migration which has devastated the job market in Britain. **No benefits for those who have never paid in!**

“The politicians’ false claim that us Brits do not want to work is an insult and a disgrace! The BNP is the only political party we can trust to secure British Jobs for British Workers.”
