IMMIGRATION

CRISIS

Immigrant hordes heading
for Soft-Touch Britain

with NO END
in sight

Millions of 'refugees'

EU leaders are giving millions of immigrants EU citizenship so they can travel to Soft-Touch Britain to claim benefits

Islamic colonisation

Saudi Arabia won't take any Muslim refugees, instead they'll build 200 new mosques to help them settle in Europe

Terrorists on our streets

Islamist terror groups claim they have now smuggled in hundreds of murderers as 'refugees' to kill British people

BNP Putting British people first

You can trust the British National Party to stop Immigration. We will put British people first, provide housing, rebuild our NHS, and ensure that our hard-pressed pensioners, ex-servicemen and the 1.7Million children in Britain currently living in severe poverty are the first to receive aid.

Stop ALL immigration NOW

Introduce a National Immigration Moratorium which will stop ALL immigration into Britain until we can put right the politicians' immigration shambles.

Local people first – every time

Stop sending £12+Billion in 'foreign aid' until the 1.7Million children in Britain are lifted out of severe poverty, pensioners can heat their homes and our NHS is fixed.

Bring our troops home

No more loss of British lives in foreign wars and no more interfering in the affairs of Muslim countries. Reinvest the £Billions spent on foreign wars in Britain where it's needed!

**Adam Walker
BNP Chairman**

"We are a compassionate and generous people. Giving aid to others while British people suffer is fundamentally wrong. The BNP puts British people first every time because charity begins at home."
