

# Make Stoke-on-Trent Central the third political EARTHQUAKE

First Brexit. Then Trump.  
Voting BNP can deliver  
another seismic blow to the  
Politically Correct politicians  
who are destroying our  
great country

**President Trump**

**TIME TO  
CHANGE  
THE WAY  
YOU VOTE**

## DAVID'S MESSAGE

The huge Brexit vote proved that the British people have had enough and are demanding change.

In the USA, we see the anti-establishment president slashing immigration within days of taking office.

It's clear that change ONLY comes when we have the courage to change our voting pattern by electing a candidate who WILL take the decisive action we all know is needed.

Voting for yet another Establishment career politician will make certain that nothing changes.

That's why I'm asking you to vote for the ONLY political party you can trust - and that's the BNP.

David Furness  
The REAL alternative

# Putting local people first

### You can trust the British National Party to stop Immigration

**W**e will put British people first, provide housing, rebuild our NHS, and ensure that our hard-pressed pensioners, ex-servicemen and the 1.7 Million children in Britain currently living in severe poverty are the first to receive aid.

The government sends £12 billion+ each year in 'foreign aid' to 20 of the

most corrupt countries in the world while 1.7 Million children in Britain live in severe poverty, thousands of pensioners freeze to death each winter because they cannot afford to heat their homes, and austerity cuts devastate our vital public services. It's an outrage! BNP will stop foreign aid UNTIL all British people have a decent standard of living!

## Don't fall for the UKIP con

**W**e all know Labour and the Tories have failed us, and UKIP are no better. When the BNP won the North West Euro seat, Paul Nuttall disgracefully walked off the stage with his Tory pals in protest of the election of a genuine anti-establishment political party. Far from being the outsider he pretends he is, Paul Nuttall is an Establishment career politician, and ex-Tory election candidate.

## Stop ALL immigration NOW

Introduce a **National Immigration Moratorium** which will stop ALL immigration into Britain until we can fix the politicians' immigration shambles.

## Front of the housing queue

David has developed a fair local-based point system that will **ensure local people are put first in the queue for local housing every time.**

# NO to Islamisation

Islamic extremists pose the biggest threat to our society since WW2, that's why the BNP has robust policies to stop the Islamisation of Britain.

### The BNP will:

- Ban the burqa – it's a security threat
- No more mosques – there are already enough for Muslims to practise their faith
- Revoke citizenship and cancel the passports of UK-born Muslims fighting abroad

**"We are a compassionate and generous people. Giving aid to others while British people suffer is fundamentally wrong. The BNP puts British people first every time because charity begins at home."**
