

DON'T BE FOOLED BY THESE JOKERS

Conservative and Labour Councillors have been squandering YOUR tax money on wasteful projects that they know they cannot defend, so to stand a chance of being elected they have invented ridiculous allegations against their ONLY credible opposition – the BNP.

One example, last election, Tommy Cooney (left) and his clowns repeatedly called the police telling laughable tales such as BNP activists 'hiding in bushes outside polling stations whispering to voters!'

FACT NO ONE HAS BEEN
CHARGED WITH ANY
OF COONEY'S OR LABOUR'S
FALSE ALLEGATIONS

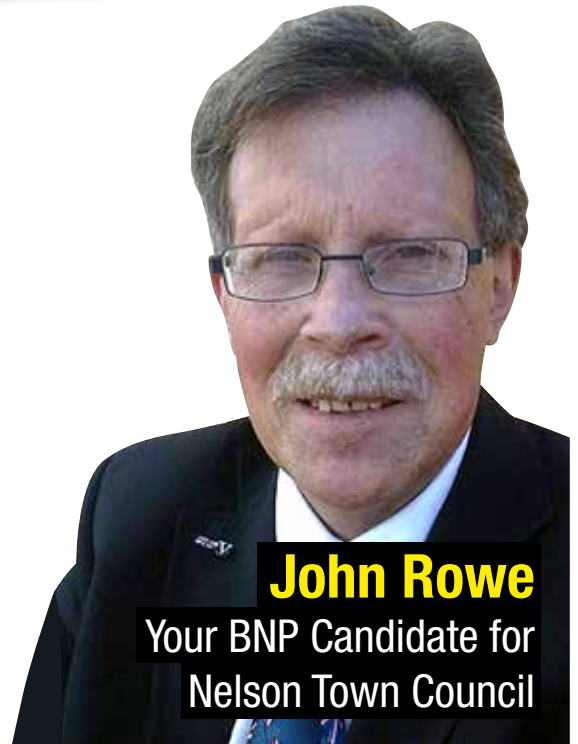

Oh dear Tommy! Perhaps if you'd done your job properly, you wouldn't have to make such a fool of yourself.

BREAKING NEWS

PEOPLES' CHAMP WON'T BE SILENCED

John Rowe

Your BNP Candidate for Nelson Town Council

OUTRAGE – Your tax money is being spent on a building for migrants and Muslims.*

Unity Hall, the renovation of which has *already* cost the Nelson taxpayer more than £180,000, is being handed to the 'Migrant Well Being Group' –

code for 'Organisation for the Islamisation of Britain.'

"You won't hear this from either the Conservatives or Labour Councillors because they are all pro-immigration and want to hide the facts from you."

Only by electing John Rowe on to the Town Council can this scandal be stopped. * Source: Nelson Town Council meeting minutes 12 April 2017

"The Conservatives and Labour have sunk to the level of smearing and lying about their BNP opponents to trick the people of Marsden into voting against their best interest."
