Dear voter

The demolition of St George's Hospital for a massive housing development of 350+ houses will heap even more pressure on our local services in Hornchurch.

Local people like YOU will suffer overcrowded schools, strained health and public services, unkept roads, and the list goes on...

It's vital that the council starts improving our local infrastructure now!

I'm asking YOU for your vote so that I can press the council to put us local people, born and raised in Havering, first on the list for social housing instead of newcomers.

Campaigning for YOU,

Denise Underwood
